1. **Rationale:**

St. Joseph’s Catholic Primary School Pinjarra (St Joseph’s) exists to further the mission of the Church in bringing the Word of God to all people. As a Catholic School operating within the Parish of St. Augustine’s, Pinjarra, we support the Mandate of the Bishops of Western Australia, which requires the Catholic Education Commission of Western Australia (CECWA) to make Catholic school education available to all Catholic families who wish to receive one, as far as resources within the school allow.

St Joseph’s also acknowledges the need to evangelise within the wider community of Pinjarra and so, in keeping with the Bishops’ guidelines on Catholic / Non-Catholic “Enrolment Percentage Parameters” we will also strive to offer a Catholic education for those Non-Catholic families who wish their children to receive one.

2. **Scope**

This policy applies to St Joseph’s Catholic Primary School Pinjarra

3. **Principles:**

1. Catholic schools exist to provide a distinctly Catholic education for children enrolled in them.
2. Catholic schools recognise the uniqueness of each student.
3. Catholic schools have a preferential option for the poor and marginalised.
4. Catholic schools fulfil their mission in partnership with parents who are the first educators of their children.
5. Catholic schools have a responsibility to fulfil the requirements of relevant Federal, State and Local Government laws and regulations.
6. Catholic schools shall accept all application forms for enrolment.
7. The acceptance of an application form does not guarantee an enrolment interview or subsequent offer of enrolment.
8. Enrolment in a Catholic school is dependent on the availability of appropriate accommodation and compliance with legislative requirements.
9. Enrolment in a Catholic school does not guarantee enrolment in any other Catholic school.
10. The principal, in conjunction with the School Board, is responsible for developing the school’s enrolment policy.

4. **Guidelines:**

1. Each school shall have a written enrolment policy consistent with the principles and procedures detailed in the CECWA policy statement. The enrolment policy shall be publicly available.

2. The enrolment policy shall provide for the following enrolment priority for all students:
   1. Catholic students and subsequent siblings with a Parish Priest reference
   2. Other Catholic students and subsequent siblings
   3. Non-Catholic students and subsequent siblings

   Aboriginal students shall be given enrolment preference wherever possible and practicable.

   The principal may vary the above priorities to suit particular local circumstances prevailing at the time after prior consultation with the Executive Director of Catholic Education and written confirmation of the outcome.

3. Enrolments must comply with Government entry age requirements.

4. The admission of students from overseas is dependent upon the guidelines as prescribed by the CECWA from time to time.
