Dear Parents and Caregivers

We wish to inform you that St Joseph's will be holding 2 pupil free days - Friday 27 March and Monday 30 March. These days will replace our pupil free days later on in the year. For parents working in essential services, our school will be open for students. Parents whose children need to attend school on Friday and/or Monday, should contact us on 9530 5500 or email admin@stjoespinjarra.wa.edu.au by 3:00pm Thursday, so that we can ensure the appropriate supervision.

In support of our community it is not a time for students to be out and about. Students should stay home on these days to help prevent the spread of COVID-19.

The purpose of these pupil free days is to afford our staff time to continue to develop the learning resources required to ensure quality learning for our students while they are at home. Our staff have been exceptional in navigating what has been an incredibly challenging time and we know they want to deliver the best learning to your children whether they are at home or school.

We apologise for the short notice alerting you to the change in our pupil free days, but are certain you can appreciate we are doing the absolute best we can. Please continue to check all communication avenues for further correspondence.

Once again, we sincerely thank you for your patience and support.

Kind regards

Mrs Joy Ketteringham

Principal
