Re: Camp Australia Services Update in Term 2

Dear Parents and Caregivers,

Please note the following information from our before and after school care provider.

Camp Australia's regular Outside School Hours Care (OSHC) service will resume Wednesday 29 April. Our services are open to all families, however, should our services reach capacity, as per the latest Federal Government advice, priority will be given to 'children of working parents, vulnerable and disadvantaged children that need early education more than ever and parents with pre-existing enrolments'. Should parents choose to send their children to school and require OSHC, they must visit the Parent Portal to register their current status.

As our booking levels for next week do not accurately represent the need for care, we have made the decision to cancel all previously made bookings for OSHC for Term 2, except for bookings made within the last 7 days. We have directed families that should they meet the above criteria, they must rebook their care as needed. For all families that attend, childcare will be provided free of charge until 30 June as per the Federal Government's announcement on 2 April. This will ensure that we have capacity for all those who need us.

Camp Australia already operates with strict cleanliness and hygiene policies; however, we have reinforced and updated these as part of our cautious approach to COVID-19. These measures include handwashing policies, social distancing, avoidance of contact games, etc. Please direct any enquires to Jodie Davey jodie.davey@campaustralia.com.au

Kind regards

Ms Vanessa Gangell

Assistant Principal
