

### Year 1's and 2's

We have been looking at the *Gruffalo* story discussing narrative features such as the main character, setting, conflict and resolution, within the sequence of events. We have also focused on the attributes and features of the Gruffalo, drawing amazing Gruffalo diagrams. Over the next few weeks we will be designing and illustrating our own crazy creatures!

### Year 5's and 6's

The Year 5's and 6's have been utilising different types of text such as fiction narratives, such as 'Possum Magic' by Mem Fox, and non-fiction texts including atlases, information texts and the internet, on their iPads, to research and complete brief information reports on possums. Over the next few weeks the Year 5's and 6's will be choosing their own Australian animal to research and write an information report on. They will then be analysing the different text types, identifying structure and purpose as well as comparing for contrast, that we have used over the course of the term 3.
