

Term 1 In Year 4

Wow, what a busy term we have had so far! We have all settled into Year 4 very well and have enjoyed getting to know our friends that are new to St Joseph's. The first few weeks of the term were spent getting to know the rules and routines in our new class and we set some goals for ourselves to achieve this term. We then started swimming lessons for two weeks. We really enjoyed going to the pool each day and are now super swimmers!

This term we started learning a new language. The language we are learning is Chinese! It is quite a tricky language to learn but we are trying really hard in every lesson and learning lots of new information. Our teacher is called Barbara and she lives in Beijing.

Our buddies for this year are the Pre Primaries. We love spending time with our little friends and doing buddy activities. Some of the activities that we have done together are playing outside, reading and Easter craft. We can't wait to do more fun things together during the year!
