NEW FEE INITIATIVE

As part of our commitment to supporting families in our community, St Joseph's will be reducing tuition fees plus the building levy to a combined capped rate of \$390 per student from Kindy to Year 6 for 2019.

The \$390 fee includes \$300 in tuition fees and \$90 for building levy. The P&F levy will continue and other charges such as swimming lessons, school camps and excursions will still apply but be kept to a minimum.

This reduction in tuition fees and the building levy will ensure that our vibrant school community continues to grow and families continue to have the opportunity to access the high-quality and diverse learning experiences that Catholic education offers.

This fee reduction is supported and subsidised by Catholic Education Western Australia, ensuring the high-standard of education and facilities found at St Joseph's not only continue but improve and strengthen over the coming years.

This new fee initiative is a significant step forward for our school community. Please read FAQs for further information.

St Joseph's has an unwavering commitment to providing affordable and accessible education for our students.
