Our Vision

We at St Joseph’s Catholic Primary School Pinjarra, seek to create a God centred environment where each school community member is nurtured spiritually, academically, socially and physically.

MOTTO: Faith and Trust

A Prayer For Peace

Lord Jesus Christ,
who are called the Prince of Peace,
Who are yourself our peace and reconciliation,
who so often said,
‘Peace to you’,
grant us peace.

Make all men and women witnesses of truth,
justice, and brotherly love.
Banish from their hearts whatever might endanger peace.
Enlighten our rulers that they may guarantee
and defend the great gift of peace.
May all peoples of the earth become as brothers and sisters.
May longed-for peace blossom forth
And reign always over us all.

By Saint John XXIII
Dear Parents, Caregivers and Community Members,

It's hard to believe that we have come to the end of Term Three – please be careful on the roads and have a wonderful relaxing break with your loved ones.

Tomorrow is our final Merit and Worker of the Month Assembly, please come and join us.

A warm welcome to our new students and their families who have joined us this term:

- Myles Gaebler - Year 5
- Darby Gaebler - Year 2
- Cadyn Shutt - 3 Year Old Kindergarten

A reminder to drive carefully in the Parish Car Park and please do not park in front of the Convent gate as it needs to be kept clear at all times. I know parking can be difficult but we all need to work together. From Week One next term, children in Years One and Two who normally go to the undercover area for pick up in the afternoon, now need to be picked up directly from the classroom door. Please wait in the undercover area and move to the door after the bell has rung. Bus children will still need to go to the front gate near the Library as per their usual arrangements and Camp Rd “Kiss and Go” will still operate as normal.

Next term Monday 12 October is a Pupil Free Day with children commencing on Tuesday. Notes regarding swimming need to be returned to the office this week as lessons also start on the first day back to school, Tuesday 13 October.

This year we broadened our 1:1 iPad policy to include Year Four students and this will continue next year also. Early next term we will send out information to allow the parents time to seek the best possible price.

Unfortunately we ran out of time to provide another Parent Volunteer session this term, however, this will happen early next term and we will advertise via our SEQTA message system.

I have included some excerpts of the Year Two students’ persuasive texts about why they love St Joes, a lovely way to end the term!

God Bless and have a safe and relaxing holiday.

Joy Ketteringham - Principal

One reason you must agree with me is because we have Joey’s Rock. At Joey’s Rock, we sing in different languages and it improves our singing. If we go to a country and they are singing a song in a different language, we can join in and sing it properly.

By Isabelle

You must agree that St. Joseph’s is the best because we have lots of excitement. We have lots of exciting things to play on like the monkey bars, the slide, the flying fox, the pole and a tunnel to hide in.

By Shaelie

You must agree with me that St. Joseph’s is the best. We get lots and lots of classes like Italian. When we go there we learn new words like ‘Benvenuto’. That means ‘welcome’. We also get to do lots of activities.

By Georgie

One reason you must agree with me is we get investigations. We can be creative in investigations. We get to look for bugs and go to the circus. Investigations is definitely fun!

Swim School Programs

Term 4, 2015

Infant Aquatics
Be part of your child’s first aquatic experience in the hydrotherapy pool. Our experienced staff combine water familiarisation with fun to show parents how to encourage their child to relax and enjoy the aquatic environment. Our infant aquatics program is endorsed with the Royal Life Saving Society and caters for children from 4 months to 3 years. Stages are broken into six month increments to ensure skills match the development and growth of the child. Term fee $127.00. Commencing 12 October.

Preschool Swimming
Tadpoles: 3/4 years
Turtles: 4/5 years
These preschool swimming programs encourages independence from their parents/guardians in an aquatic environment using play and self-discovery. These stages also prepare the child for the Learn to Swim strand by teaching survival skills and basic stroke development. Term fee $127.00. Commencing 12 October.

Learn to Swim and Survive
Based on the Royal Life Saving Society’s nationally recognised curriculum with stages 1-15 available. Classes are undertaken with an Austswim-qualified instructor who teaches stroke development and survival skills while encouraging enjoyment and water safety. Level progression is identical to the Department of Education’s Vacswim and school in-term programs making it user friendly for all.
Another major advantage is our program places equal importance on both stroke correction and survival skills. Students are educated about safe behaviour in various aquatic environments. They develop rescue abilities and are introduced to resuscitation. In addition to this our instructors will also correct your child’s swimming technique. Term fee $127.00. Commencing 12 October.

Squads
Seals is a transitional program between learn to swim lessons and squads. Children must have completed Stage 5 to be eligible to enter. Seals focuses on developing stroke technique with a strong emphasis on correction, lane etiquette and learning how to dive and tumble turn. This is perfect for children to gain more knowledge for school carnivals.
Introductory term fee $95.00. Thursday’s 3.45pm - 4.30pm. Commencing 15 October.

Swimmers in the Dolphins squad focus on improving their endurance, learning how to swim at different paces, introduction to bi lateral breathing and continuing to master dives and tumble turns. All participants need to have completed Stage 7.
Introductory term fee $95.00. Thursday’s 4.45pm - 5.45pm. Commencing 15 October.
